Member Application

Under the direction of our Chairman, Robert M. Sieja, please note the policies and procedures regarding our membership.

To qualify for membership, the following application must be completed in its entirety. In addition to this application we will need a copy of your organizations 501(c)(3), and an application fee of \$35.00.

As a member, your organization is required to pay a shared maintenance fee of \$95.00 per load if you will be picking up food every week (regardless if you show up or not). Should you desire to pick-up food less often, the fee is \$120.00 per load. If you are picking-up less then once per week you must contact us before Wednesday of the week that you are picking up. Western Eagle will provide your organization an equal share of assorted food product on Thursday morning 9 to 11am of each week (you must be here before 11am). All items are given out equally according to amounts and types of products donated to us.

All products given by Western Eagle are to be distributed at NO COST to the client. You may request a donation, however, a client cannot be denied for lack of funds. These products are not to be sold or bartered.

Your organization will assume all responsibility for all product once it has been removed from Western Eagle, and agree to release Western Eagle and it's donors from any and all liability. Western Eagle tries to ensure that all product is fit for consumption; however, we are dealing with salvage product. Your organization is responsible to re-inspect all products.
